This price list shows the Printer Cartridges and Mobile Phones which Money to Schools pays for. If an item does not appear on this list we can still accept it for recycling, however your school will not receive a payment for it.

We pay **£0.50 for EVERY** undamaged mobile phone received. Damaged mobile phones and accessories can be sent in for recycling but have no value.

Please note: We regret that we are unable to accept items from a photocopier or toner bottles.

You could use this price list as a packing list by marking the cartridges you are sending in and faxing to us on the number above. This step is not mandatory however as we will send you a detailed statement showing what you sent in for recycling.
